LETTER OF TRANSMITTAL

July 18, 2023

The Honourable Doug Downey
Attorney General for Ontario
720 Bay Street, 11th Floor
Toronto, Ontario
M7A 2S9

Dear Minister Downey:

The Judicial Appointments Advisory Committee has the honour of presenting to you this report on its activities for the period from 1 April 2020 to 31 March 2021, pursuant to section 43 of the *Courts of Justice Act*.

This report covers all significant matters related to the recommendation to the Attorney General of suitable candidates for judicial appointment to the Ontario Court of Justice.

Respectfully yours,

Original signed by Rachel Curran

Rachel Curran
Chair

EXECUTIVE SUMMARY

1 April 2020 to 31 March 2021

Since the establishment of the Committee, 497 judges have been appointed based on Committee recommendations. Of these, 19 appointments were made between 1 April 2020 and 31 March 2021.

The highlights of Committee activities are as follows:

- Appointments: Each of the 19 appointments has been made from among candidates recommended by the Committee in accordance with the first criterion, being that of professional excellence, and then on the other criteria set out in this Report. In addition to the 19 appointments, the Committee continued to work on 15 vacancies as of the end of March 2021.
- Legislation: Amendments to the *Courts of Justice Act* that came into force on 28 February 1995 established the Judicial Appointments Advisory Committee and clothed it with legislative authority. These amendments set out in detail the composition, procedures, criteria for selection, and independent function of the Committee.
- Implementation of Electronic Process: During the reporting period, in response to the circumstances created by the COVID pandemic, the Committee transitioned from a paper-based to an electronic process for submission of applications. In addition, the Committee began to conduct interviews and hold meetings by videoconference, rather than in person.
- Procedures and Policies: The Committee continually reviews its procedures and policies, which are set forth in detail in this Report.

Candidates are generally not considered for an interview if they have any outstanding complaints registered with a Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.

Candidates are generally not considered for an interview if they have any outstanding Errors and Omissions claims registered with the Lawyers' Professional Indemnity Company. The candidate is responsible for ensuring the removal or resolution of such claims; however, if the Committee receives sufficient information that the claim is not substantiated, then such a claim will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.

Members of the Committee may consider the application of a candidate who is involved in a civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of the claim is such that it should not prevent the candidate from being considered for a judicial appointment.

The Committee must be informed of any outstanding civil judgments, arrears in family support payments, any past or present proposals to creditors or assignments in bankruptcy, and any sanctioning by the Law Society of Ontario or any other Law Society.

Generally, the Committee does not consider a candidate who has been convicted of a criminal offence for which the candidate has not received a record suspension.

INTRODUCTION

On 15 December 1988, the then Attorney General, the late Honourable Ian Scott, announced in the Ontario Legislature the establishment of the Judicial Appointments Advisory Committee as a pilot project, and set out its mandate:

First, to develop and recommend comprehensive, sound and useful criteria for selection of appointments to the judiciary, ensuring that the best candidates are considered; and second, to interview applicants selected by it or referred to it by the Attorney General and make recommendations.

On February 28, 1995, the *Courts of Justice Act* established the Committee by legislation. All judges of the Ontario Court of Justice are appointed by the Lieutenant Governor in Council on the recommendation of the Attorney General from amongst a list of applicants recommended to him or her by the Committee, and chosen in accordance with the Committee's own process of criteria, policies and procedures. The Committee's criteria, policies and procedures are described, in detail, on the following pages.

The total number of applicants from the inception of the Committee to March 31, 2021 is 4,155, of which 72 are new applicants in this reporting period.

From April 1, 2020 to March 31, 2021, the Committee met 17 times to select candidates, conduct interviews and attend to Committee business. One hundred and thirty (130) applicants were interviewed during the period and 85 have been recommended by the Committee, and 19 judges were appointed.

PART I

ANALYSIS OF JUDICIAL APPOINTMENTS MADE

1.0 Judges Appointed: 1 April 2020 - 31 March 2021

During this period, there have been 19 judges appointed as a result of recommendations made by the Committee. Added to the 478 appointments previously made, this number makes a total of 497 judges appointed since the Committee began its work in 1989. However, with various transfers, etc., the number of judges presiding in the Ontario Court of Justice at the time of the reporting period as a result of the Committee's recommendations was 294. The complement of the Ontario Court of Justice is 299 judges. Over 98% of all the present judges have been selected through the Committee process.

A list of the 19 new judges appointed during this reporting period can be found in Appendix I.

The ages of appointees range from 37 to 61 years, and the average age is 48 years.

2.0 Overview of Appointments: 1 January 1989 - 31 March 2021

The diversity statistics of all judges appointed under the Committee process are set out in the tables found in Appendix II, which also show the timing of the various appointments and the legal background of the appointees.

The Committee continues to encourage applications from members of equality-seeking groups. Each advertisement for a judicial vacancy states that:

The Judiciary of the Ontario Court of Justice should reflect the diversity of the population it serves. Applications from members of equality-seeking groups are encouraged.

The advertisement is posted on the Ontario Courts website at <https://www.ontariocourts.ca/ocj/jaac/>. Interested persons can register for vacancy notification, via email, through the website. The Committee discontinued advertising for judicial vacancies in the *Ontario Reports* as of April 1, 2020.

In addition, advance notice of a judicial vacancy is provided to approximately 223 legal and non-legal associations, such as: the Ontario Bar Association, the ARCH Disability Law Centre, the Aboriginal Legal Services of Toronto, the Canadian Association of Black Lawyers and the Metro Toronto Chinese & Southeast Asian Legal Clinic, with a request that the material be brought to the attention of their members. This notice of judicial vacancy is also emailed to The Advocates' Society, the National Association of Women and the Law, the Canadian Bar Association, the Ontario Crown Attorneys Association, the Ontario Trial Lawyers Association, the Women's Law Association of Ontario, the Canadian Muslim Lawyers Association, Indigenous Bar Association, L'Association des juristes d'expression française de l'Ontario, Criminal Lawyers' Association, as well as the legal clinics and law associations throughout Ontario. Committee members are prepared to and do attend association meetings of groups, legal or non-legal, to discuss the appointment process and answer questions concerning Committee procedures and criteria. Our desire is to make sure that the profession and public are fully informed about the process of judicial appointment.

 3. The Committee shall conduct the advertising and review process in accordance with criteria established by the Committee, including assessment of the professional excellence, community awareness and personal characteristics of candidates and recognition of the desirability of reflecting the diversity of Ontario society in judicial appointments.
 4. The Committee may make recommendations from among candidates interviewed within the preceding year, if there is not enough time for a fresh advertising and review process.

Qualification

- (10) A candidate shall not be considered by the Committee unless he or she has been a member of the bar of one of the provinces or territories of Canada for at least ten years or, for an aggregate of at least ten years, has been a member of such a bar or served as a judge anywhere in Canada after being a member of such a bar.

PART III

CONFIDENTIALITY

1.0 Introduction

The Judicial Appointments Advisory Committee has developed two fundamental principles on the issue of confidentiality of committee information. These are:

- (a) information about general committee process is open to any person;
- (b) information about particular candidates is confidential unless released by candidates themselves.

2.0 Information on Process and Procedures

The *Courts of Justice Act*, by virtue of the amendments made in 1995, requires that the Committee have 13 members of which the majority shall be lay persons, i.e., neither judges nor lawyers. The appointing bodies are required to recognize that the Committee should reflect the diversity of Ontario's population and maintain linguistic duality, minority and gender balances.

The criteria for, and the manner of, selection of candidates are outlined in this Report.

Committee members individually speak to organizations and at legal conferences to publicize the process of appointments and believe that the process should be open and transparent.

3.0 Information on Persons who are applying for Appointment

By contrast to the preceding section, the Committee goes to great lengths to protect the privacy of the applicant. These measures include:

- (1) keeping sensitive information securely stored;
- (2) keeping applicants apart on interview days;
- (3) destroying or shredding applications and notes as soon as possible after appointment of a candidate;

- (4) advising references that all information received will be kept in confidence by the Committee;
- (5) advising lawyers, judges, court officials and community contacts approached for discreet inquiries that their names will not be associated with their confidential comments;
- (6) maintaining strict non-access to our files, including government personnel not associated with the Committee;
- (7) holding all meetings and interviews in non-government locations.

PART IV

CRITERIA FOR APPOINTMENT

It is important that eligible members of the Bar and the public be aware of the criteria used by the Committee in the selection of candidates for recommendation, and for convenience, those criteria are reiterated again in this Annual Report.

The current Summary Statement of the criteria is as follows:

1.0 Criteria for Evaluating Candidates

Professional Excellence

- Professional excellence is the paramount criterion in assessing judicial candidates.
- A high level of professional achievement in the area(s) of legal work in which the candidate has been engaged. Experience in the field of law relevant to the jurisdiction of the Ontario Court of Justice on which the applicant wishes to serve is highly desirable but not essential.
- Involvement in professional activities that keeps one up to date with changes in the law and in the administration of justice.
- A demonstrated commitment to continuing legal education.
- An interest in or some aptitude for the administrative aspects of a judge's role.
- Good writing and communications skills.

Community Awareness

- A commitment to public service.
- Awareness of and an interest in knowing about the social problems that give rise to cases coming before the courts.
- Sensitivity to changes in social values relating to criminal and family matters.
- Interest in methods of dispute resolution alternatives to formal adjudication and interest in community resources available for participating in the disposition of cases.

Personal Characteristics

- An ability to listen.
- Respect for the essential dignity of all persons regardless of their circumstances.
- Politeness and consideration for others.
- Moral courage and high ethics.
- An ability to make decisions on a timely basis.
- Patience.
- Punctuality and good regular work habits.
- A reputation for integrity and fairness.
- Compassion and empathy.
- An absence of pomposity and authoritarian tendencies.

Demographics

- The Judiciary of the Ontario Court of Justice should be representative of the population it serves. The Committee is sensitive to the issue of under-representation in the judicial complement of women, Indigenous, visible and ethnic/cultural minorities, LGBTQ2 and persons with disabilities.

PART V

JUDICIAL APPOINTMENT PROCESS AND POLICIES

Set out below is a step-by-step account of how the Committee arrives at its recommendations:

1.0 Overview of Process

1. Advertising the Vacancy

All vacancies are advertised on the Ontario Courts website at <https://www.ontariocourts.ca/ocj/iaac/>. Three weeks are allowed for applications to be received. Interested persons can register for vacancy notification, via email, through the website. In addition to advertising, the Committee contacts approximately 223 legal and interested non-legal associations with advance notice of the vacancy with a request that they bring the copy of the advertisement to the attention of their members.

2. Review of Applications by Members

Each member is provided with a list of all candidates who respond to an advertisement plus copies of all new and updated Judicial Candidate Information Forms. Members carefully review and assess the application forms and list candidates whom they feel should proceed to the second stage of reference checks and confidential inquiries. This list is submitted to the Committee Secretary, who compiles a master list of candidates who have been selected by five or more members for the purpose of making reference checks and confidential inquiries. If any member of the Committee ascertains that a possible suitable applicant for a judicial appointment has not been selected for reference checks and confidential inquiries, the member may request of the Committee that the applicant's name be added to the list.

3. References and Confidential Inquiries

Each member is provided with a list of candidates who have been selected by five or more Committee members. Reference checks and confidential inquiries are then completed, unless that process has already been conducted within the last two years in relation to another vacancy. These inquiries may include judiciary, court officials, lawyers, law associations, community and social service organizations, plus the named references provided by the candidate. Once the reference checks and confidential inquiries are completed, the Committee meets to discuss the information obtained and to select candidates to be interviewed.

This selection meeting usually takes place three to four weeks after the members have received the list of candidates to be considered. Interviews normally take place approximately three weeks after the selection meeting.

4. Interviews

The number of candidates to be interviewed for a judicial vacancy will normally be a maximum of 16 over a two-day period. Each interview lasts approximately 30 minutes. Normally, the entire Committee sits for each interview. For questioning purposes, the Committee members take alternate interview turns. Following each interview, the Committee discusses the merits of the candidate interviewed. After the last interview for that particular vacancy, the Committee considers the merits of the candidates interviewed, plus the merits of the candidates interviewed on a prior occasion within the year and who have applied to be considered for the current vacancy.

5. Recommendations to the Attorney General

Pursuant to the *Courts of Justice Act*, a ranked list composed of a minimum of two candidates for each vacancy is forwarded to the Attorney General, along with brief supporting reasons. In addition, the application form submitted by each ranked candidate is delivered to the Attorney General with the list.

The list of recommended candidates is provided to the Attorney General only after the clearances requested from the Law Society, LawPRO and CPIC checks have been received. These clearances are usually received approximately three weeks after the interviews have taken place.

It is at this point that the Committee's work is complete. A candidate is not notified whether or not his or her name has been put forward in the short ranked list to the Attorney General as this recommendation is personal and confidential for the Attorney General.

6. Unexpected Vacancies

The Committee has established a procedure to avoid delays in filling vacancies that occur unexpectedly, such as from sudden resignation, illness or death. In such cases, when so requested by the Attorney General, the Committee may recommend, without advertising the vacancy, candidates who have previously applied for the area of the judicial vacancy and who have been interviewed. This procedure will only apply to areas where candidates have been interviewed within the preceding year. However, the policy of advertising is the procedure of preference and will only be departed from in limited circumstances.

7. Interviewing for More Than One Position

Occasionally, after a vacancy has been advertised and the selection process is in progress, subsequent vacancies occur in the same location, with the same specialty of law. In these circumstances, in the interest of time, the Committee may forego advertising the subsequent vacancies. The members will evaluate the candidates who have responded to the advertised position and decide which of those candidates will be selected for consideration and interview for all vacancies.

2.0 The Judicial Candidate Information Form

1. All candidates must complete a typed current Judicial Candidate Information Form which has been designed to elicit information that is not usually included in a standard curriculum vitae, such as the nature of the legal work and experience gained in various positions the candidates have held, including pre-law experience. Also, applicants are required to express their reasons for wanting to become a judge and provide an appraisal of their own qualifications for being a judge.

Candidates who send in their standard curriculum vitae and do not complete the Committee's form are not considered.

2. Candidates are required to provide a signed electronic copy of the current Judicial Candidate Information Form together with a copy each of the signed Security Release Form, Release of Information Form and Authorization and Release Form.
3. Should a candidate wish to change any information in his or her Judicial Candidate Information Form after applying for a judicial vacancy, the candidate should contact the Committee Secretary for instructions.
4. A candidate must submit the current Judicial Candidate Information Form each time they apply for an advertised vacancy that is of interest. The Committee does not automatically consider applications on file.
5. The Judicial Candidate Information Form must be submitted in PDF format in order to ensure integrity of the application. No other format will be accepted. Additionally, the Committee will not consider applications that are not on the **current** Judicial Candidate Information Form or are received after the closing date in the vacancy advertisement.
6. All responses to an advertisement to be considered for a judicial vacancy are acknowledged. However, the Committee does **not** advise candidates that they have not been selected for an interview. Instead, the acknowledgement letter states: *"If you are selected for an interview, you will be contacted by telephone during the week of ..."*.

7. Candidates who have been interviewed within the previous twelve-month period may not necessarily be re-interviewed but will be equally considered, based on the previous interview, by the Committee in determining its list of recommendations, provided that the candidate has applied to be considered for the vacancy advertised.
8. Candidates who are interviewed and/or candidates who have been interviewed on a previous occasion and who have requested to be considered for a particular advertised vacancy **are not** advised as to whether they have been included in the list submitted to the Attorney General. Also, the Committee does not advise applicants when its work has been completed for a particular judicial vacancy and a list of recommended candidates has been submitted to the Attorney General.

3.0 References

1. The Committee requests that a candidate does not send or have submitted letters of support.
2. The Committee requires a candidate to provide the names, complete residential/office and e-mail addresses, including postal codes, personal cell phone and business telephone numbers of his or her named references. Care should be taken to provide the correct information before submitting the form. Since the members who check the references frequently do so during evenings and weekends, it is essential that personal cell phone numbers be provided.
3. All named references receive a letter from the Committee advising them that a candidate has provided their names for reference purposes and that they may be contacted by a member of the Committee. They are advised that they do not have to write to the Committee. Attached to the letter is a list of current Committee members.
4. The Committee maintains strict confidentiality with respect to the information provided by named references and obtained by confidential inquiries.

4.0 Law Society and Other Outstanding Complaints and Claims

1. Membership: To qualify for consideration, candidates must have been a member of the Bar of one of the provinces or territories of Canada for at least 10 years, or, for an aggregate of at least 10 years, been a member of such Bar or served as a judge anywhere in Canada, after being a member of such a Bar, and currently be a member in good standing.

2. Complaints as to Practice: Candidates are generally not considered for an interview if they have any outstanding complaints registered with a Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.
3. If the candidate has been sanctioned by the Law Society of Ontario or any other Law Society, the Committee considers the circumstances. The Committee then decides whether the candidate should be considered for a judicial appointment.
4. Errors and Omissions Claims: Candidates are generally not considered for an interview if they have any outstanding Errors and Omissions claims registered with the Lawyers' Professional Indemnity Company. The candidate is responsible for ensuring the removal or resolution of such claims; however, if the Committee receives sufficient information that the claim is not substantiated, then such a claim will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.
5. Civil Claims or Judgments: Members of the Committee may consider the application of a candidate who is involved in a civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of the claim is such that it should not prevent the candidate from being considered for a judicial appointment.
6. Other Financial Matters: The Committee must be informed of any outstanding civil judgments, arrears in family support payments, any past or present proposals to creditors or assignments in bankruptcy, or serious financial difficulties of each candidate.
7. The Committee must also be informed by the candidate if the candidate is the subject of any current court order.

5.0 Criminal Record

Generally, the Committee does not consider a candidate who has been convicted of a criminal offence for which the candidate has not received a record suspension.

6.0 Conflict of Interest Guidelines

1. The Committee will not consider an application for judicial appointment from a member of the Legislative Assembly if he/she is a member of the political party of the current government. Former members of the Legislative Assembly of the same political party as the current government may apply two years after the date of resignation or retirement from office.
2. Members of the Committee cannot apply to be considered for an appointment to the Ontario Court of Justice for a period of two years from the date they cease to serve as a member of the Committee.
3. No current member of the Committee can act as a reference for a candidate seeking an appointment to the Ontario Court of Justice.
4. Members of the Committee who have a conflict or a perceived conflict in the nature of a potential bias or prejudice in regard to a candidate must declare such conflict and refrain from taking part in the assessment, questioning and evaluation of that candidate.

7.0 Re-Interviewing Candidates

The Committee does maintain a pool of candidates who have previously been recommended but not appointed, or interviewed but not recommended.

The Committee may not consider it essential to re-interview a candidate who has been interviewed in the previous 12 months. That candidate will be compared and ranked along with all other persons interviewed for that vacancy so long as the candidate has submitted a new application to be considered for that advertised vacancy. Nevertheless, the Committee may, in its discretion, re-interview a previously interviewed candidate, and, in fact, does in circumstances where it deems it appropriate.

8.0 Notice of Vacancies and Transfer after Appointment

When a vacancy in the complement of the Ontario Court of Justice occurs, the Chief Justice of the Ontario Court of Justice, after considering the judicial resources required throughout Ontario, determines the location of the vacancy to be filled and advises the Attorney General accordingly. The Attorney General then requests the Committee to commence its process to identify candidates suitable for judicial appointment in order to make recommendations.

Because of the many requests for transfer, the Chief Justice has advised the Committee that while the Chief Justice retains the discretion to assign judges according to the needs of the Court at any time, it is the general policy of the Ontario Court of Justice that no personal request for permanent re-assignment will be considered for a period of at least five years following a judge's appointment. The determination of a judicial vacancy involves a review and assessment of the needs of the Court and a long-term commitment to the community in which the vacancy is declared. It is a commitment that is made both by the Court and by the judge who is appointed to that position. Generally speaking, where a judge is appointed to sit at a base court location and the judge does not live within that community or near to it, the Court will expect the judge to move either to the community or to within a reasonable distance of it shortly after the judge's appointment. Once a judge has been on the bench for a period of five years, the judge may request a re-assignment to another base court location. If a vacancy subsequently arises, that request will be considered along with requests received from other judges who wish to move to the same location. Other factors will also be taken into account, including the needs of the locations involved, the views of the regional senior judges and of the judges at the affected locations.

9.0 Changes in Committee Membership

Regional Senior Justice Aston Hall was appointed by the Chief Justice of the Ontario Court of Justice to replace Mr. Justice Paul Robertson, whose term expired on November 30, 2020.

Mr. Justice Peter Doody was appointed by the Ontario Judicial Council to replace Regional Senior Justice Patrick Boucher, who was appointed to the Superior Court of Justice on December 9, 2020.

PART VI

LOOKING TO THE FUTURE

1.0 Recommendations of Candidates

The Committee believes that trial experience is important. However, it also believes that all its criteria must be applied in assessing the merits of each applicant. Accordingly, the Committee from time to time has recommended and will continue to recommend suitable individuals who are not trial lawyers but who have achieved a professional excellence in other areas of law.

The Committee has continued the increased number of interviews for each vacancy. With the inclusion for consideration of all candidates who have been interviewed in the previous twelve months, a larger number of candidates from diverse backgrounds are being considered for recommendation to the Attorney General on a ranked list. Professional excellence remains of paramount importance to the Committee.

2.0 Outreach

The Committee has firmly accepted outreach as one of its roles, and will continue to invite candidates from the various under-represented sections of the legal community to seek appointment. It is looking for ways to communicate with all eligible candidates to encourage them to consider a public service through appointment to the Ontario Court of Justice.

Although there has been a steady increase in the number of students from traditionally under-represented communities entering the legal profession, the Committee recognizes that there are a number of barriers, both physical and societal, to be overcome before there will be a large enough pool to enable Ontario to reach its goal of a truly representative judiciary.

The Committee has found that, frequently, applicants from the various under-represented groups do not re-apply if unsuccessful in their first application for a particular judicial vacancy. The Committee encourages all lawyers with the requisite qualifications to apply and continue to apply if they are desirous of seeking a judicial appointment.

The Committee is concerned about the number of new applications. It is to be noted that the quality of the applicants is high; nevertheless, the Committee feels that there are many truly qualified applicants out there, but who are not applying.

The Committee believes that the profession, community groups and the public in general have a duty to encourage appropriate lawyers to submit applications.

The Committee acknowledges that it must increase its efforts to encourage qualified members of under-represented groups to apply for judicial positions.

3.0 A Representative Committee

It is important to have representation on the Committee that is as diverse as possible. Subsection 43(3) of the amended Act establishes criteria for Committee members as follows:

In the appointment of members ..., the importance of reflecting, in the composition of the Committee as a whole, Ontario's linguistic duality and the diversity of its population and ensuring overall gender balance shall be recognized.

Although it may not be possible for the Committee to reflect all groups at all times, a good balance certainly enriches its deliberations.

Although the Attorney General makes the majority of appointments to the Committee, it is equally important that the remaining members appointed by the Law Society of Ontario, the Chief Justice, the Ontario Bar Association, the Federation of Ontario Law Associations and the Ontario Judicial Council also continue to be reflective of the population of the Province of Ontario.

The Chief Justice designates certain judicial positions, in locations where there are large Francophone populations, to be bilingual. To assess the capabilities of candidates to conduct a trial in French, it is essential that some members of the Committee be bilingual. In 2020-21, one Committee member is fluent in both English and French.

CONCLUSION

The Committee has established criteria and procedures that have resulted in a fair and impartial process for the appointment of judges to the Ontario Court of Justice, one that it hopes has assisted in removing any perception of unwarranted political bias or patronage in appointments to the judiciary. It will continue to re-evaluate its criteria and procedures. The Committee has worked to ensure that the candidates recommended to the Attorney General possess all the required qualities set out in its criteria and are well regarded by their peers and community.

The Committee will continue its pursuit of excellence in recommending candidates for appointment as judges to the Ontario Court of Justice. It will continue to encourage applicants from under-represented groups such that the provincial judiciary shall reasonably reflect the diversity of the population it serves. The quality of the applicants it sees is impressive.

The majority of the Committee members are lay persons who work during the day and give extraordinarily of their time and abilities to the workings of the Committee. Despite a heavy workload, Committee members work tirelessly to maintain a high level of interest in the process and derive a great deal of personal satisfaction in being part of this rewarding work.

Set out below is the estimated time spent by a lay member on the selection and recommendation process for one judicial vacancy:

Stage 1: Review of applications received

- on average, 150 applications are received for each advertised vacancy
- 15 minutes to go over one application

$$15 \text{ min.} \times 150 = 2250 \text{ minutes} = \mathbf{37.5 \text{ hours}}$$

Stage 2: Reference checks

- 4 named referees for each applicant
- assuming each member has to conduct reference checks on 5 applicants and each reference check takes 15 minutes

$$15 \text{ min.} \times 5 \times 4 = 300 \text{ minutes (minimum - to add call back time)} = \mathbf{5 \text{ hours}}$$

Stage 3: Preparation for selection meeting

- on average, 60 applicants are on the list to be selected for an interview
- time spent going over applications and notes on reference checks/discreet inquiries
- 15 minutes per applicant

$$15 \text{ min.} \times 60 = 900 \text{ minutes} = \mathbf{15 \text{ hours}}$$

Stage 4: Selection meeting, on average, to select 16 applicants out of 60 to be interviewed

- 3 minutes for each applicant

3 min. x 60 = 180 minutes = **3 hours**

Stage 5: Preparation for interviews

- assuming 15 minutes are spent on reviewing each application and notes on reference checks/discreet inquiries on 16 candidates

15 min. x 16 = 240 minutes = **4 hours**

Stage 6: Interviews, on average, 16 interviews over 2 days

- 45 minutes per interview

45 min. x 16 = 720 minutes = **12 hours**

Stage 7: Evaluation of previously interviewed candidates

- Discussion of candidates' merits
- Recommendation

1 hour – 2 hours

Estimated total hours spent by each lay member on one judicial vacancy = **78.5 hours**

Assuming there are 7 hours in a working day, 78.5 hours = **11.21 days**. The above numbers and figures are estimates only.

The above estimate does not allow for travel time associated with attendance at in-person Committee meetings.

In addition, each Committee member has additional administrative work relating to the maintenance of the confidential documents associated with the work of the Committee.

Therefore, I wish to personally commend each of the lay members as well as the judicial and lawyer members for his or her contribution to the justice system in Ontario. I would also like to acknowledge the hard work and professionalism of the Committee Coordinator and Ministry of the Attorney General support staff for ensuring the smooth operations of the Committee's work.

All of which is respectfully submitted,
