Message re COVID-19

The Ontario Court of Justice is committed to ensuring that the public continues to have meaningful access to justice despite the challenges presented by COVID-19 (coronavirus). The safety and well-being of the public and all court participants – including the judiciary, court staff, litigants and witnesses – are a top priority. We are working with the Ministry of the Attorney General, which is responsible for courts administration, and our other justice system partners to ensure that the public continues to have safe and meaningful access to our courts.
