## LETTER OF TRANSMITTAL

December 31, 2018

The Honourable Caroline Mulroney  
Attorney General for Ontario  
720 Bay Street, 11th Floor  
Toronto, Ontario  
M7A 2S9

Dear Minister Mulroney:

The Judicial Appointments Advisory Committee has the honour of presenting to you this report on its activities for the period from 1 January 2016 to 31 December 2016, pursuant to section 43 of the *Courts of Justice Act*. It covers all significant matters related to the recommendation to the Attorney General of suitable candidates for judicial appointment to the Ontario Court of Justice.

Respectfully yours,

*Original signed by Fareed Amin*

Fareed Amin  
Chair

## EXECUTIVE SUMMARY

1 January 2016 to 31 December 2016

The Judicial Appointments Advisory Committee was set up as a pilot project by the then Attorney General, the late Honourable Ian Scott, in January 1989. Since then, 391 judges have been appointed based on Committee recommendations. Of these, 17 appointments were made between 1 January 2016 and 31 December 2016.

The highlights of Committee activities are as follows:

- Appointments: Each of the 17 appointments has been made from among candidates recommended by the Committee in accordance with the first criterion, being that of professional excellence, and then on the other criteria set out in this Report. In addition to the 17 appointments, the Committee continues to work on 13 vacancies and has another 11 vacancies pending prior to the end of 2016.
- Legislation: Amendments to the *Courts of Justice Act* that came into force on 28 February 1995 established the Judicial Appointments Advisory Committee and clothed it with legislative authority. These amendments set out in detail the composition, procedures, criteria for selection, and independent function of the Committee.
- Confidentiality: The Committee continues to request the Government to pass legislation exempting its confidential information so that it shall be protected by the exemption of the *Freedom of Information and Protection of Privacy Act*.
- Procedures and Policies: The Committee continually reviews its procedures and policies which are set forth in detail in this Report.

Candidates will generally not be considered for an interview if they have any outstanding complaints registered with a Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.

Candidates will generally not be considered for an interview if they have any outstanding Errors and Omissions claims registered with the Lawyers' Professional Indemnity Company. The candidate is responsible for ensuring the removal of such claims; however, if the Committee receives sufficient information that the claim is not substantiated, then such a claim will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.

The Committee would be prepared to consider the application of a candidate who is involved in any other civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of the claim is such that it should not prevent the candidate from being considered for a judicial appointment.

The Committee must be informed of any outstanding civil judgments, arrears in family support payments, any past or present proposals to creditors or assignments in bankruptcy, and any sanctioning by The Law Society of Upper Canada or any other Law Society.

The Committee will not consider a candidate who has a criminal record.

## INTRODUCTION

On 15 December 1988, the then Attorney General, the late Honourable Ian Scott, announced in the Ontario Legislature the establishment of the Judicial Appointments Advisory Committee as a pilot project, and set out its mandate:

First, to develop and recommend comprehensive, sound and useful criteria for selection of appointments to the judiciary, ensuring that the best candidates are considered; and second, to interview applicants selected by it or referred to it by the Attorney General and make recommendations.

On February 28, 1995, the *Courts of Justice Act* established the Committee by legislation. All appointments to the Ontario Court of Justice must be made by the Attorney General from amongst a list of applicants recommended to him or her by the Committee, and chosen in accordance with its own process of criteria, policies and procedures. The Committee's criteria, policies and procedures are described, in detail, on the following pages.

The total number of applicants from the inception of the Committee to December 31, 2016 is 3,701, of whom 1,318 (36%) are women.

In 2016, the Committee met 13 times to select candidates, conduct interviews and attend to Committee business. One hundred and sixteen (116) applicants were interviewed during the period and 48 have been recommended, from which the Attorney General has selected and appointed 17 judges.

## PART I

### ANALYSIS OF JUDICIAL APPOINTMENTS MADE

#### 1.0 Judges Appointed: 1 January 2016 - 31 December 2016

During this period, there have been 17 judges appointed as a result of recommendations made by the Committee. Added to the 374 appointments previously made, this number makes a total of 391 judges appointed since the Committee began its work in 1989. However, with various transfers, etc., the current number of judges presiding in the Ontario Court of Justice as a result of the Committee's recommendations is 273. The complement of the Ontario Court of Justice is 299 judges. Over 91% of all the present judges have been selected through the Committee process.

Of the 17 new appointments this calendar year, one was francophone; seven were female; one was from the Indigenous communities; two were from the visible minority communities; six came from private practice; three from government and eight were formerly Crown counsel. A list of these judges will be found in Appendix II.

The ages of appointees range from 41 to 60 years, and the average age is 51 years.

#### 2.0 Overview of Appointments: 1 January 1989 - 31 December 2016

The reader will find a list of all judges appointed under the Committee process in Appendix III; the Appendix lists the names in alphabetical order together with location and date of appointment.

The demographics of these appointments are set out in the following tables which show the timing of the various appointments, the legal background of the appointees, and the numbers selected for appointment from under-represented groups.

The Committee continues to encourage applications from members of equality-seeking groups. Each advertisement for a judicial vacancy states that:

The Judiciary of the Ontario Court of Justice should reasonably reflect the diversity of the population it serves. Applications from members of equality-seeking groups are encouraged.

The advertisement appears in the *Ontario Reports* and *The Lawyers Weekly*; both publications have a wide circulation amongst lawyers in the province. It is also posted on the Ontario Courts website at [www.ontariocourts.ca/ocj/jaac/](http://www.ontariocourts.ca/ocj/jaac/).

In addition, advance notice of a judicial vacancy is provided to approximately 228 legal and non-legal associations, such as: the Ontario Bar Association, the ARCH Disability Law Centre, the Aboriginal Legal Services of Toronto, the Canadian Association of Black Lawyers and the Metro Toronto Chinese & Southeast Asian Legal Clinic, with a request that the material be brought to the attention of their members. This notice of judicial vacancy is also emailed to The Advocates' Society, the National Association of Women and the Law, the Canadian Bar Association, the Ontario Crown Attorneys Association, the Ontario Trial Lawyers Association, the Women's Law Association of Ontario, the Canadian Muslim Lawyers Association, Indigenous Bar Association, L'Association des juristes d'expression française de l'Ontario, Criminal Lawyers' Association, as well as the legal clinics and law associations throughout Ontario. Committee members are prepared to and do attend association meetings of groups, legal or non-legal, to discuss the appointment process and answer questions concerning Committee procedures and criteria. Our desire is to make sure that the profession and public are fully informed about the process of judicial appointment.

## PART III

### CONFIDENTIALITY

#### 1.0 Introduction

The Judicial Appointments Advisory Committee has developed two fundamental principles on the issue of confidentiality of committee information. These are:

- (a) information about committee process is completely open to any person whomsoever,
- (b) information about particular candidates is completely confidential unless released by candidates themselves.

#### 2.0 Information on Process and Procedures

The *Courts of Justice Act*, by virtue of the amendments made in 1995, sets out very clearly that the Committee is to have 13 members of which the majority shall be lay persons, i.e., neither judges nor lawyers. The appointing bodies are required to recognize that the Committee should reflect the diversity of Ontario's population and maintain linguistic duality, minority and gender balances.

The criteria for, and the manner of, selection of candidates are outlined in this Report.

Committee members individually speak to organizations and at legal conferences to publicize the process of appointments and believe that the process should be completely open and transparent.

#### 3.0 Information on Persons who are applying for Appointment

By contrast to the preceding section, the Committee goes to great lengths to protect the privacy of the applicant. These measures include:

- (1) keeping most sensitive information securely stored in the private homes of members, or with the Secretary;

- (2) keeping applicants apart on interview days;
- (3) destroying or shredding applications and notes as soon as possible after appointment of a candidate and after a candidate's application has lapsed;
- (4) advising references that their names will not be associated with their confidential comments;
- (5) advising lawyers, judges, court officials and community contacts approached for discreet inquiries that their names will not be associated with their confidential comments;
- (6) maintaining strict non-access to our files, including government personnel not associated with the Committee;
- (7) holding all meetings and interviews in non-government locations.

#### **4.0 Seeking Information**

The Committee has had one major application from a citizen seeking information about a successful candidate. This application commenced in 1993 and formally concluded in 1997, at which time the Ontario Court of Appeal, overruling the Divisional Court, held that private notes of the Committee members were **not** available to the public under the *Freedom of Information and Protection of Privacy Act* (FIPPA). Details of this litigation are to be found in our Annual Reports of 1996 and 1997.

#### **5.0 What is to be done**

The Committee has requested and continues to request the Government to amend the *Freedom of Information and Protection of Privacy Act*. The Committee wants to exempt the confidential candidate information from the operation of that Act. There is a precedent for this to be found in S.O. 1994 c.12 under which all records of the Ontario Judicial Council are only to be disclosed if that Council approves such disclosure.

## PART IV

### CRITERIA FOR APPOINTMENT

It is important that eligible members of the Bar and the public be aware of the criteria used by the Committee in the selection of candidates for recommendation, and for convenience, those criteria are reiterated again in this Annual Report.

The current Summary Statement of the criteria is as follows:

#### 1.0 Criteria for Evaluating Candidates

##### **Professional Excellence**

- A high level of professional achievement in the area(s) of legal work in which the candidate has been engaged. Experience in the field of law relevant to the jurisdiction of the Ontario Court of Justice on which the applicant wishes to serve is highly desirable but not essential.
- Involvement in professional activities that keeps one up to date with changes in the law and in the administration of justice.
- A demonstrated commitment to continuing legal education.
- An interest in or some aptitude for the administrative aspects of a judge's role.
- Good writing and communications skills.

##### **Community Awareness**

- A commitment to public service.
- Awareness of and an interest in knowing about the social problems that give rise to cases coming before the courts.
- Sensitivity to changes in social values relating to criminal and family matters.
- Interest in methods of dispute resolution alternatives to formal adjudication and interest in community resources available for participating in the disposition of cases.

**Personal Characteristics**

- An ability to listen.
- Respect for the essential dignity of all persons regardless of their circumstances.
- Politeness and consideration for others.
- Moral courage and high ethics.
- An ability to make decisions on a timely basis.
- Patience.
- Punctuality and good regular work habits.
- A reputation for integrity and fairness.
- Compassion and empathy.
- An absence of pomposity and authoritarian tendencies.

**Demographics**

- The Judiciary of the Ontario Court of Justice should be reasonably representative of the population it serves. The Committee is sensitive to the issue of under-representation in the judicial complement of women, visible, cultural, and racial minorities and persons with a disability. This requires overcoming. However, professional excellence is still the paramount criterion in assessing judicial candidates.

## PART V

### JUDICIAL APPOINTMENT PROCESS AND POLICIES

Set out below is a step-by-step account of how the Committee arrives at its recommendations:

#### 1.0 Overview of Process

##### 1. Advertising the Vacancy

All vacancies are advertised in the *Ontario Reports* and *The Lawyers Weekly*. Three weeks are allowed for applications to be received. In addition to advertising, the Committee contacts approximately 228 legal and non-legal associations with advance notice of the vacancy with a request that they bring the copy of the advertisement to the attention of their members. The advertisements are also posted on the Ontario Courts website at [www.ontariocourts.ca/ocj/jaac/](http://www.ontariocourts.ca/ocj/jaac/).

##### 2. Review of Applications by Members

Each member is provided with a list of all candidates who respond to an advertisement plus copies of all new and updated Judicial Candidate Information Forms. Members carefully review and assess the application forms and list candidates whom they feel should proceed to the second stage of reference checks and confidential inquiries. This list is submitted to the Committee secretary, who compiles a master list of candidates who have been selected by five or more members for the purpose of making reference checks and confidential inquiries. If any member of the Committee ascertains that a possible suitable applicant for a judicial appointment has not been selected for reference checks and confidential inquiries, the member may request that the applicant's name be added to the list.

##### 3. References and Confidential Inquiries

Each member is provided with a list of candidates who have been selected by five or more Committee members for the purposes of reference checks and confidential inquiries. These inquiries are made of the judiciary, court officials, lawyers, law associations, community and social service organizations, plus the named references provided by the candidate. Once

the reference checks and confidential inquiries are completed, the Committee meets to discuss the information obtained and to select candidates to be interviewed.

This selection meeting usually takes place three to four weeks after the members have received the list of candidates to be considered. Interviews normally take place approximately two weeks after the selection meeting.

#### **4. Interviews**

The number of candidates to be interviewed for a judicial vacancy will normally be a maximum of 16 over a two-day period. Each interview will last approximately 30 minutes. The entire Committee sits for each interview but for questioning purposes, the Committee members take alternate interview turns. Following each interview, the Committee discusses the merits of the candidate interviewed. After the last interview for that particular vacancy, the Committee discusses the merits of the candidates interviewed, plus the merits of the candidates interviewed on a prior occasion within the year and who have applied to be considered for the current vacancy.

#### **5. Recommendations to the Attorney General**

The list of recommended candidates is provided to the Attorney General only after the clearances requested from the Law Society, LawPRO and CPIC checks have been received. These clearances are usually received approximately three weeks after the interviews have taken place.

A short ranked list, together with only the application form submitted by each ranked candidate, is then delivered to the Attorney General.

It is at this point that the Committee's work is complete. A candidate is not notified whether or not his or her name has been put forward in the short ranked list to the Attorney General as this recommendation is personal and confidential for the Attorney General.

#### **6. Unexpected Vacancies**

It should also be noted that the Committee has established a procedure to avoid delays in filling vacancies that occur unexpectedly, such as from sudden resignation, illness or death. In such cases, when so requested by the Attorney General, it may recommend, without advertising the vacancy, candidates who have previously applied for the area of the judicial vacancy and who have been interviewed. This procedure will only apply to areas where there has been an advertised competition within a twelve-month period. However, the policy of advertising is the procedure of preference and will only be departed from in limited circumstances.

## 7. Interviewing for More Than One Position

Occasionally, after a vacancy has been advertised and the selection process is in progress, a second vacancy occurs in the same location, with the same specialty of law. In these circumstances, in the interest of time, the Committee may forego advertising the second vacancy. The members will evaluate the candidates who have responded to the advertised position and decide which of those candidates will be selected for consideration and interview for both vacancies.

## 2.0 The Judicial Candidate Information Form

1. All candidates must complete a typed Judicial Candidate Information Form (revised) which has been designed to elicit information that is not usually included in a standard curriculum vitae, such as the nature of the legal work and experience gained in various positions the candidates have held, including pre-law experience. Also, applicants are required to express their reasons for wanting to become a judge and provide an appraisal of their own qualifications for being a judge.

Candidates who send in their standard curriculum vitae and do not complete the Committee's form are not considered.

2. Candidates are required to provide 14 copies of the Judicial Candidate Information Form together with a copy each of the signed Security Release Form, Release of Information Form and Authorization and Release Form in the first instance, and for subsequent applications, 14 copies of a letter requesting consideration. Should a candidate wish to change any information in his or her application, he or she must send in 14 copies of a fully revised Judicial Candidate Information Form.
3. A candidate must apply by application or letter for each and every advertised vacancy that is of interest. The Committee does not automatically consider applications on file. It is preferred that a candidate submit a new application after one year to reflect any changes in the application.
4. A Judicial Candidate Information Form is kept on file for one year. At the end of one year, a candidate is advised that his or her form is out of date and in order to maintain a current application, 14 copies of a new revised form should be submitted.
5. All responses to an advertisement to be considered for a judicial vacancy are acknowledged. However, the Committee does **not** advise candidates that they have not been selected for an interview. Instead, the acknowledgement letter states: *"If you are selected for an interview, you will be contacted by telephone during the week of ..."*

6. Candidates who have been interviewed within the previous twelve-month period may not necessarily be re-interviewed but will be equally considered, based on the previous interview, by the Committee in determining its list of recommendations, provided that he or she has applied to be considered for the vacancy advertised.
7. Candidates who are interviewed and/or candidates who have been interviewed on a previous occasion and who have requested to be considered for a particular advertised vacancy **are not** advised as to whether they have been included in the list submitted to the Attorney General. Also, the Committee does not advise applicants when its work has been completed for a particular judicial vacancy and a list of recommended candidates has been submitted to the Attorney General.

### **3.0 References**

1. The Committee requests that a candidate does not send or have submitted letters of support.
2. The Committee requires a candidate to provide the names, complete residential/office and e-mail addresses, including postal codes, home telephone and business telephone numbers of his or her named references. Care should be taken to provide the correct information before submitting the form. Since the members who check the references frequently do so during evenings and weekends, it is essential that home telephone numbers be provided.
3. All named references receive a letter from the Committee advising them that a candidate has provided their names for reference purposes and that they may be contacted by a member of the Committee. They are advised that they do not have to write to the Committee. Attached to the letter is a list of current Committee members.
4. The Committee maintains strict confidentiality with respect to the information provided by named references and obtained by confidential inquiries.

### **4.0 Law Society and Other Outstanding Complaints and Claims**

1. Membership: To qualify for consideration, candidates must have been a member of the Bar of one of the provinces or territories of Canada for at least 10 years, or, for an aggregate of at least 10 years, been a member of such Bar or served as a judge anywhere in Canada, after being a member of such a Bar, and currently be a member in good standing.

2. Complaints as to Practice: Candidates will generally not be considered for an interview if they have any outstanding complaints registered with a Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.
3. If the candidate has been sanctioned by The Law Society of Upper Canada or any other Law Society, the Committee wants to know the circumstances. The Committee will then decide whether the candidate should still be considered for a judicial appointment.
4. Errors and Omissions Claims: Candidates will generally not be considered for an interview if they have any outstanding Errors and Omissions claims registered with the Lawyers' Professional Indemnity Company. The candidate is responsible for ensuring the removal or resolution of such claims; however, if the Committee receives sufficient information that the claim is not substantiated, then such a claim will not be a bar to the candidate being considered and interviewed, but the candidate would not be recommended until it has been removed.
5. Civil Claims or Judgments: Members of the Committee would be prepared to consider the application of a candidate who is involved in a civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of the claim is such that it should not prevent the candidate from being considered for a judicial appointment.
6. Other Financial Matters: The Committee must be informed of any outstanding civil judgments, arrears in family support payments, any past or present proposals to creditors or assignments in bankruptcy, or serious financial difficulties of each candidate.
7. The Committee must also be informed by the candidate if he or she is the subject of any current court order.

## **5.0 Criminal Record**

The Committee will not consider a candidate who has a criminal record.

## **6.0 Conflict of Interest Guidelines**

1. The Committee will not consider an application for judicial appointment from a member of the Legislative Assembly if he/she is a member of the political party of the current government. Former members of the Legislative Assembly of the same political party as the current government may apply two years after the date of resignation or retirement from office.
2. Members of the Committee cannot apply to be considered for a judicial appointment for a period of two years from the date they cease to serve as a member of the Committee.
3. No current member of the Committee can act as a reference for a candidate seeking a provincial judicial appointment.
4. Members of the Committee who have a conflict or a perceived conflict in the nature of a potential bias or prejudice in regard to a candidate must declare such conflict and refrain from taking part in the entire process for the vacancy for which the candidate has applied.

## **7.0 Re-Interviewing Candidates**

The Committee does maintain a pool of candidates who have previously been recommended but not appointed, or interviewed but not recommended.

The Committee does not consider it essential to re-interview a candidate who has been interviewed in the previous twelve months. That candidate will be compared objectively and ranked along with all other persons interviewed for that vacancy so long as the candidate has requested in writing to be considered for that advertised vacancy. Nevertheless, the Committee may, in its discretion, re-interview a previously interviewed candidate, and, in fact, does in circumstances where it deems it appropriate.

## **8.0 Notice of Vacancies and Transfer after Appointment**

When a vacancy in the complement of the Ontario Court of Justice occurs, the Chief Justice of the Ontario Court of Justice, after considering the judicial resources required throughout Ontario, determines the location of the vacancy to be filled and advises the Attorney General accordingly. The Attorney General then requests the Committee to commence its process to identify candidates suitable for judicial appointment in order to make recommendations to him.

Because of the many requests for transfer, the Chief Justice has advised the Committee that while the Chief Justice retains the discretion to assign judges according to the needs of the Court at any time, it is the general policy of the Ontario Court of Justice that no personal request for permanent re-assignment will be considered for a period of at least five years following a judge's appointment. The determination of a judicial vacancy involves a review and assessment of the needs of the Court and a long-term commitment to the community in which the vacancy is declared. It is a commitment that is made both by the Court and by the judge who is appointed to that position. Generally speaking, where a judge is appointed to sit at a base court location and the judge does not live within that community or near to it, the Court will expect the judge to move either to the community or to within a reasonable distance of it shortly after the judge's appointment. The Court will, as set out in the Judge's Manual, in those circumstances pay for the cost of transportation for the judge and the judge's family, and for moving expenses. Once a judge has been on the bench for a period of five years, the judge may request a re-assignment to another base court location. If a vacancy subsequently arises, that request will be considered along with requests received from other judges who wish to move to the same location. Other factors will also be taken into account, including the needs of the locations involved, the views of the regional senior judges and of the judges at the affected locations.

## **9.0 Changes in Committee Membership**

The Committee saw a significant change in its membership in 2016.

Regional Senior Justice Sharon Nicklas was appointed by the Ontario Judicial Council to replace Regional Senior Justice Hugh Fraser, whose term expired on July 24, 2016.

Mr. Hanny Hassan's term as a lay member expired on February 29, 2016. Mr. Hassan had been a member for 12 years and had also served as Chair for over 10 years. The Committee is grateful to Mr. Hassan for his leadership, commitment and dedication.

Mr. Fareed Amin, a lay member appointed by the Attorney General to replace Mr. Hassan, has been designated as the new Chair of the Committee.

The terms for Mr. Roger Davidson and Ms. Gail Stiffler also expired on February 29, 2016. Ms. Sylvie Beauvais and Ms. Kathleen O'Keefe were appointed as lay members by the Attorney General to replace Mr. Davidson and Ms. Stiffler.

Ms. Ann Murphy's term concluded on March 31, 2016. The Attorney General appointed Mr. Jean Hébert, a lay member, to fill this vacancy.

Mr. Davidson, Ms. Murphy and Ms. Stiffler had each served as members of the Committee for 12 years.

All of the retired members had dedicated an enormous amount of time and contributed greatly to the work of the Committee.

## **10.0 Support Staff**

Ms. Marlene Mills has been the Committee Secretary since September 30, 2013. Ms. Mills has stepped into the role and quickly ensured the smooth operations of all aspects of the Committee's work. She anticipates the needs of the Committee and smoothly coordinates its work – with sensitivity and discretion. Her hard work is invaluable to the Committee.

The Committee also wishes to acknowledge the professionalism and commitment of Ms. Carol Chan. Her organizational skills, coupled with a congenial manner, have provided exemplary secretarial and clerical service to the Committee.

Finally, the Committee would like to extend its appreciation to the Honourable Madeleine Meilleur and the Honourable Yasir Naqvi, Attorneys General for Ontario. It also wishes to acknowledge the co-operation that it has received from Ms. Kate Anderson and Ms. Zalina Sharma, A/Managers of Judicial Support Services of the Ministry; Mr. Michael Elliott at The Law Society of Upper Canada; Ms. Donna Bronstine at the Toronto Police Services and Mr. Jack Daiter at the Lawyers' Professional Indemnity Company.

## **11.0 Communications, Education and Marketing**

On November 29, 2016, he participated in a panel discussion at the 2016 Diversity Conference hosted by the Ontario Bar Association's Equality Committee and the Roundtable of Diversity Associations (RODA) on "How to Become a Judge".

## PART VI

### LOOKING TO THE FUTURE

#### 1.0 Recommendations of Candidates

The Committee believes that trial experience is important. However, it also believes that all its criteria must be applied in assessing the merits of each applicant. Accordingly, the Committee from time to time has recommended and will continue to recommend suitable individuals who are not trial lawyers but who have achieved a professional excellence in other areas of law.

The Committee has continued the increased number of interviews for each vacancy. With the inclusion for consideration of all candidates who have been interviewed in the previous twelve months, a larger number of candidates from diverse backgrounds are being considered for recommendation to the Attorney General on a ranked list. Professional excellence remains of paramount importance to the Committee.

#### 2.0 Outreach

The Committee has firmly accepted outreach as one of its roles, and will continue to invite candidates from the various under-represented sections of the legal community to seek appointment. It is looking for ways to communicate with all eligible candidates to encourage them to consider a public service through appointment to the Ontario Court of Justice.

Although there has been a steady increase in the number of students from traditionally under-represented communities entering the legal profession, the Committee recognizes that there are a number of barriers, both physical and societal, to be overcome before there will be a large enough pool to enable Ontario to reach its goal of a truly representative judiciary.

The Committee has found that, frequently, applicants from the various under-represented groups do not re-apply if unsuccessful in their first application for a particular judicial vacancy. The Committee encourages all lawyers with the requisite qualifications to apply and continue to apply if they are desirous of seeking a judicial appointment.

The following table shows the percentage of applications from women on an annual basis:

| <b>Year</b> | <b>Total of New Applications Received</b> | <b>Female Applicants</b> | <b>Percent of Female Applicants</b> |
|-------------|---|--------------------------|-------------------------------------|
| 1989        | 338                                       | 42                       | 12%                                 |
| 1990        | 318                                       | 137                      | 43%                                 |

The Committee is concerned about the number of new applications. It is to be noted that the quality of the applicants is high; nevertheless, the Committee feels that there are many truly qualified applicants out there, but who are not applying.

The Committee believes that the profession, community groups and the public in general have a duty to encourage appropriate lawyers to submit applications.

The Committee acknowledges that it must increase its efforts to encourage qualified members of under-represented groups to apply for judicial positions.

### 3.0 A Representative Committee

It is important to have representation on the Committee that is as diverse as possible. Subsection 43(3) of the amended Act establishes criteria for Committee members as follows:

In the appointment of members ..., the importance of reflecting, in the composition of the Committee as a whole, Ontario's linguistic duality and the diversity of its population and ensuring overall gender balance shall be recognized.

In 2016, the Committee consisted of eight male and five female members, from different geographical areas of the province. Although it may not be possible for the Committee to reflect all groups at all times, a good balance certainly enriches its deliberations. It is important that this continue.

Although the Attorney General makes the majority of appointments to the Committee, it is equally important that the remaining members appointed by The Law Society of Upper Canada, the Chief Justice, the Ontario Bar Association, the Federation of Ontario Law Associations (formerly known as the County and District Law Presidents' Association) and the Ontario Judicial Council also continue to be reflective of the population of the Province of Ontario.

The Chief Justice designates certain judicial positions, in locations where there are large Francophone populations, to be bilingual. To assess the capabilities of candidates to conduct a trial in French, it is essential that some members of the Committee be bilingual. In 2016, four Committee members are fluent in both English and French.

## CONCLUSION

The Committee has established criteria and procedures that have resulted in a fair and impartial process for the appointment of judges to the Ontario Court of Justice, one that it hopes has assisted in removing any perception of unwarranted political bias or patronage in appointments to the judiciary. It will continue to re-evaluate its criteria and procedures. The Committee has worked to ensure that the candidates recommended to the Attorney General possess all the required qualities set out in its criteria and are well regarded by their peers and community.

The Committee will continue its pursuit of excellence in recommending candidates for appointment as judges to the Ontario Court of Justice. It will continue to encourage applicants from under-represented groups such that the provincial judiciary shall reasonably reflect the diversity of the population it serves. The quality of the applicants it sees is impressive.

The majority of the Committee members are lay persons who work during the day and give extraordinarily of their time and abilities to the workings of the Committee. Despite a heavy workload, Committee members work tirelessly to maintain a high level of interest in the process and derive a great deal of personal satisfaction in being part of this rewarding work.

Set out below is the estimated time spent by a lay member on the selection and recommendation process for one judicial vacancy:

Stage 1: Review of applications received

- on average, 150 applications are received for each advertised vacancy
- 15 minutes to go over one application

15 min. x 150 = 2250 minutes = **37.5 hours**

Stage 2: Reference checks

- 4 named referees for each applicant
- assuming each member has to conduct reference checks on 5 applicants and each reference check takes 15 minutes

15 min. x 5 x 4 = 300 minutes (minimum - to add call back time) = **5 hours**

Stage 3: Preparation for selection meeting

- on average, 60 applicants are on the list to be selected for an interview
- time spent going over applications and notes on reference checks/ discreet inquiries
- 15 minutes per applicant

15 min. x 60 = 900 minutes = **15 hours**

Stage 4: Selection meeting, on average, to select 16 applicants out of 60 to be interviewed

- 3 minutes for each applicant

3 min. x 60 = 180 minutes = **3 hours**

Stage 5: Preparation for interviews

- assuming 15 minutes are spent on reviewing each application and notes on reference checks/discreet inquiries on 16 candidates

15 min. x 16 = 240 minutes = **4 hours**

Stage 6: Interviews, on average, 16 interviews over 2 days

- 45 minutes per interview

45 min. x 16 = 720 minutes = **12 hours**

Stage 7: Evaluation of previously interviewed candidates

- Discussion of candidates' merits
- Recommendation

**1 hour – 2 hours**

Estimated total hours spent by each lay member on one judicial vacancy = **78.5 hours**

Assuming there are 7 hours in a working day, 78.5 hours = **11.21 days**. The above numbers and figures are estimates only.

The above estimate does not allow for travel time associated with attendance at Committee meetings.

In addition, each Committee member has additional administrative work relating to the maintenance of all the confidential documents associated with the work of the Committee. Currently, there are some 505 active files. The typical file is 13 to 15 pages in length and is updated usually once a year and during the selection process for the judicial vacancy if that person has applied.

Therefore, I wish to personally commend each of the lay members as well as the judicial and lawyer members for his or her contribution to the justice system in Ontario.

All of which is respectfully submitted,

### THE PROCESS OF APPOINTMENT OF ONTARIO PROVINCIAL JUDGES

“Judges ought to be more learned than witty, more reverend than plausible, and more advised than confident. Above all things, integrity is their portion and proper virtue.”

*Lord Chancellor Bacon  
Essays: Of Judicature (1597)*

## The Judicial Appointments Advisory Committee of Ontario

### A Brief History

In 1988, Attorney General Ian Scott announced a three-year pilot project to try a different model of appointment for Provincial Court Judges. The Judicial Appointments Advisory Committee (JAAC) began its work under the chairmanship of Professor Peter Russell with a mandate: "First, to develop and recommend comprehensive, sound and useful criteria for selection of appointments to the judiciary, ensuring that the best candidates are considered; and, second, to interview applicants selected by it or referred to it by the Attorney General and make recommendations."

Between 1990 and 1995, the size of the pilot committee grew from 9 to 13 persons and the committee worked at developing criteria and procedures which were reviewed, refined and eventually publicized. In 1992, under the chairmanship initially of Professor Emily Carasco and then Associate Chief Judge Robert Walmsley, the Committee issued a Final Report and prepared recommendations for draft legislation to ensure that judges in future will be appointed by a process independent of political considerations.

JAAC was formally established on February 28, 1995 by proclamation of the *Courts of Justice Act* amendment passed in 1994.

The Committee began a programme of public information to tell interested people how the appointment system works.

The Judicial Appointments Advisory Committee is required to provide the Legislature with an Annual Report.

### WHO SHOULD APPLY?

To qualify for consideration, applicants must have at least 10 years' membership at the Bar in one of the provinces or territories of Canada. Applicants must have a sound knowledge of the law, an understanding of the social issues of the day and an appreciation for the cultural diversity of Ontario.

While courtroom experience is a distinct asset, the Committee also considers suitable candidates whose experience includes work with administrative tribunals, academia and in the social policy field.

Applications are encouraged from women, aboriginal peoples, francophones, persons with disabilities, and visible and ethnocultural minorities.

Applicants with Errors and Omissions claims or complaints on file with the Law Society of Upper Canada or any other Society will generally not be considered until such claims have been cleared. The candidate is responsible for ensuring the removal of such claims or complaints; however, if the Committee receives sufficient information as to the claim or complaint being frivolous or lacking in foundation, then such a claim or complaint will not be a bar to the candidate being considered.

Applicants who are involved in civil claims or proceedings would be considered if the Committee is of the opinion that the nature of such a claim does not prevent the candidate from being considered.

The Committee must be informed of any outstanding civil judgments, arrears in family support payments and any past or present proposals to creditors or assignments in bankruptcy.

The Committee will not consider a candidate who has a criminal record.

### PROCESS

Vacancies on the Bench are advertised in the Ontario Reports and The Lawyers Weekly as the need arises. Candidates must submit 14 copies of a prescribed application form. These applications are reviewed by the Committee and a short list is prepared. The Judicial Appointments Advisory Committee meets to select candidates for interviews from the short list.

After reference checks, confidential inquiries and interviews, the Committee sends a ranked list of its recommendations to the Attorney General, who is required to make the appointment from that list.

### COMPOSITION OF THE COMMITTEE

The Legislation requires the composition of the Committee to reflect the diversity of Ontario's population, including gender, geography, racial and cultural minorities. In addition to seven (7) lay members who are appointed by the Attorney General, six (6) from the legal community are appointed by the Chief Justice of the Ontario Court of Justice, The Law Society of Upper Canada, Canadian Bar Association - Ontario and the County and District Law Presidents' Association respectively. All members serve for a term of three (3) years.

### CONFIDENTIALITY

The selection process, including the application form, is treated with total confidentiality.

### INDEPENDENCE

The Committee is independent of the Ministry of the Attorney General and the Government.
