The Honourable Chris Bentley
Attorney General for Ontario
11th Floor

Dear Mr. Attorney:

The Justices of the Peace Appointments Advisory Committee is pleased to present to you the second report on our activity since the establishment of the Committee pursuant to the amendments to the *Justices of the Peace Act* in 2007.

This report is for the period of January 1, 2008 to August 31, 2009.

While the Committee's first annual report covered the 2007 calendar year, the Committee will now be reporting based on its process year (September 1 to August 31) rather than by calendar year. The Committee's intention is to make the information reported easier to understand as our process cycle will not be split between two annual reports. This second report covers the last half of the 2007-08 process year (the first half was reported in the 2007 annual report) and the entire 2008-09 process year.

This report covers all significant matters related to the classification of candidates for the role of a justice of the peace in the Ontario Court of Justice.

Respectfully yours,

Original signed by Seth Rudin

CHAIR'S SUMMARY

I am pleased to report on the activities of the Justices of the Peace Appointments Advisory Committee (the Committee) over the past 20 months. Together, the Committee continued to fulfill its mandate in attracting and classifying candidates for appointment as justices of the peace.

Building upon the lessons learned during our first year of this new process, the Committee set out to refine our process to result in the most efficient operational practices. Through the utilization of our best practices, we enhanced the Committee's process, allowing us to meet the objectives of the Committee under the umbrella of the legislative requirements that govern the Committee.

Based on the original foundation of the Committee's work and the exceptional relationship between all Committee members, these beneficial enhancements were successfully implemented. The Committee is confident that our revised process will enhance our solid foundation for the Committee's work.

I would like to thank all Committee members for their dedication to the Committee and their role in the classification of those individuals applying for the role of justice of the peace.

Chair

INTRODUCTION

Establishment of the Justices of the Peace Appointments Advisory Committee and its Mandate

The Justices of the Peace Appointments Advisory Committee (the “Committee”) was established in 2007 following amendments to the *Justices of the Peace Act*, R.S.O. 1990, C. J.4. The Committee is an independent and arm’s length agency of the Ministry of the Attorney General whose duties are to classify candidates for appointment as justices of the peace and to report those classifications to the Attorney General. Justices of the peace are appointed by the Lieutenant Governor in Council on the recommendation of the Attorney General. A copy of the *Justices of the Peace Act* is attached as Appendix A.

What is the Role of a Justice of the Peace?

A justice of the peace in Ontario is a judicial officer appointed pursuant to the *Justices of the Peace Act*. This Act affirms that a justice of the peace has judicial jurisdiction throughout Ontario and creates a framework under which justices of the peace are appointed and hold office, and also provides for the conditions under which they perform their duties. During this reporting period, there were over 330 justices of the peace in Ontario that were assigned to and perform judicial responsibilities. The Ontario Court of Justice, one of Ontario’s two trial courts, is comprised of both provincially appointed judges and justices of the peace.

The judicial functions, powers and duties of a justice of the peace are set out in legislation and case law. Two of the more important legislative Acts which confer jurisdiction upon a justice of the peace are the *Criminal Code* and the Ontario *Provincial Offences Act*, but there are many other federal and provincial statutes and regulations that empower justices of the peace with legal authority and/or jurisdiction. Primarily, the two main areas of jurisdiction are criminal law and regulatory law (provincial offences).

Respecting criminal law, justices of the peace preside over virtually all judicial interim release (bail) hearings in the province and the majority of criminal remand courts. They also preside over other criminal hearings. They receive informations (the document which commences a criminal proceeding), confirm or consider the issuance of process by either a summons or a warrant and are responsible for receiving and considering the denial or issuance of search warrants and other matters of criminal process.

Justices of the peace exercise jurisdiction over the majority of provincial regulatory offences and municipal by-law prosecutions. As in criminal proceedings, justices of the peace receive informations and warrant applications, consider the issuance of process and preside at hearings and trials.

On appointment, a justice of the peace must cease other employment and refrain from any political activity. The *Justices of the Peace Act* states that a justice of the peace shall not engage in any other remunerative work without the approval of the Justices of the Peace Review Council. Justices of the peace must retire upon attaining the age of 65 years, but may continue in office until attaining the age of 75 years, subject to the annual approval of the Chief Justice of Ontario.¹

The Justices of the Peace Appointments Advisory Committee

The Committee consists of a core committee of seven members, including a judge and a justice of the peace appointed by the Chief Justice of the Ontario Court of Justice, a justice of the peace appointed by the Chief Justice of the Ontario Court of Justice who is either the Senior Justice of the Peace Responsible for the Ontario Native Justice of the Peace Program or another justice of the peace familiar with aboriginal issues, and four lay members appointed by the Attorney General.

In addition, the Committee has seven regional committees, one for each of the regions of the Ontario Court of Justice. These regional committees consist of the Regional Senior Judge and the Regional Senior Justice of the Peace or their delegates, not more than five other lay members appointed by the Attorney General, and a lawyer appointed by the Attorney General. The Attorney General has appointed one member in each region to act as the Regional Lead during the term of their appointment. The role of the Regional Lead is to coordinate the screening, interviewing, reference checking, and the classification process for justice of the peace candidates within their region.

In total, there are 63 members on the Committee.

Initially the core committee met monthly with the regional leads joining their meetings every second month. As of April 2008, the core committee and regional leads meet jointly on a monthly basis. The purpose of these meetings is to review ongoing Committee business and discuss matters related to the Committee's policies and procedures.

Starting in 2008, the Committee holds an annual meeting of all members. This annual meeting provides an opportunity for the full Committee to review its activities over the past year, hear from speakers regarding topics relevant to the Committee's operations, and prepare any changes to be included in the next year's process.

A short biography of each of the members is attached as Appendix B.

¹ On June 2, 2008, the Ontario Superior Court of Justice in *Assn. of Justices of the Peace of Ontario, Brenna Brown, Moreland Lynn and Meena Nadkarni, Applicants v. Attorney General of Ontario* [2008] O.J. No. 2131, the Court ruled that every justice of the peace shall retire upon attaining the age of 65 years.

THE COMMITTEE'S PROCESS

Following successful undertakings as reported in the 2007 Annual Report, the Committee set out to refine its process based on lessons learned. The Committee made revisions to its application form, policies and procedures, and selection criteria. All of these documents are available to the public through the Ontario Courts website at www.ontariocourts.on.ca/ipaac/en. These documents are attached, respectively, as Appendix C, Appendix D and Appendix E.

While the Committee's first annual report covered the 2007 calendar year, the Committee will now be reporting based on its process year (September 1 to August 31) rather than by calendar year. This second report covers the last half of the 2007-08 process year (the first half was reported in the 2007 annual report) and the entire 2008-09 process year.

From its inception in 2007 to August 31, 2009, the Committee has reviewed a total of 2,168 resumes that were on file with the Ministry prior to the amendment to the *Justices of the Peace Act* establishing the Committee, and 4570 applications submitted on the application form developed by the Committee. During the reporting period covered by this annual report (January 1, 2008 to August 31, 2009), 4570 applications were reviewed by the Committee.

January 1, 2008 to September 30, 2008:

Activities

The Committee's activities in the first nine months of 2008 included the review, evaluation and classification of applications that were received from November 2007 to the completion of advertising for all regions of the province (February 2008).

In the fall of 2007, the Committee placed advertisements to seek applications under the newly-created process as outlined in the Committee's 2007 Annual Report. The Committee's process called for the placement of the advertisement on a regional basis with three separate series of advertisements. Two of the three series of advertisements inviting applications for the Central West, West, Central East and East Regions were placed in the fall of 2007.

From January 21, 2008 to February 8, 2008, the third series of advertisements inviting applications for Toronto, Northeast and Northwest Regions were placed in the *Globe and Mail*, the *Toronto Star*, and regional newspapers across the province, as well as in French language, ethnic and native media. A copy of the advertisement is attached as Appendix F.

The Committee completed its review of the justice of the peace applications filed during the three separate advertisements, including interviews, between January 2008 and July 2008. The classifications of all candidates interviewed were reported by the Committee to the Attorney General by August 8, 2008.

Additionally, in preparation for the Committee's next advertisement for applications and the start of the 2008-09 process cycle, the Committee reviewed other applications filed on an ongoing basis up to September 14, 2008. This review was completed by September 30, 2008.

Process Review

During the summer of 2008, the Committee undertook a review of its policies and procedures, including the application form and the accompanying filing instructions. Based on this review, a number of changes to the Committee's procedures were implemented, including:

- the creation of a Frequently Asked Questions document;
- the modification of the requirement for the filing of authorization forms for the Committee to conduct security and disclosure checks. Previously every candidate was expected to complete these authorizations when they filed their application. It is now the practice to ask only those candidates attending an interview to complete the authorization for a security check and if applicable, any professional organization disclosure checks;
- the inclusion in the application form of a statement that candidates should be aware that if they wish to apply to more than one region, they should be aware that the degree of knowledge of those regions, their culture and issues will be considered;
- the requirement that candidates indicate all regions to which they are applying on the same application form at the time of application;
- the policy that if a candidate is interviewed, the Committee will not consider any further applications from the candidate during the two-year period from the date of interview;
- the modification of the number of copies the candidate is required to file for each region to which they apply;
- one annual province-wide advertisement for all regions of the province instead of separate advertisements on a regional basis at different times of the year.

September 1, 2008 to August 31, 2009:

Activities

In the fall of 2008, based on the process adopted during the summer, the Committee placed a province-wide advertisement inviting applications for all regions of the province. The ad, widely placed in provincial, regional and local newspapers, as well as in French language, ethnic and native media, was for the period September 15, 2008 to October 7, 2008. A copy of the advertisement is attached as Appendix G.

On April 3, 2009, the Attorney General requested, in accordance with section 2.1 (12) (5) of the *Justices of the Peace Act*, that the Committee review and evaluate all applications currently on file.

The Committee completed its review of justice of the peace applications, including interviews, for all of the applications filed during the advertising period and on an ongoing basis up until April 3, 2009, by August 2009. Also included in these interviews were applications filed in 2007-08 after the advertising periods.

The classifications of all candidates were reported by the Committee to the Attorney General by August 24, 2009, with the exception of the classifications for Northeast Region candidates, which were reported on October 5, 2009.

Process Review

During the 2008-09 period, the Committee undertook a further review of its policies and procedures, including the application form, the accompanying filing instructions and the selection criteria. Based on this review, a number of changes to the Committee's procedures were implemented, including:

- revisions to the multi-region evaluation process;
- the classification of all candidates. Prior to the 2008-09 process year, the Committee had classified only those candidates who were interviewed. Commencing in the 2008-09 process year, the Committee will now classify all candidates, whether they were interviewed or not;
- the adoption of a two-year classification period that commences on the 1st day of June following the submission of an application and ends on the 31st day of May. Prior to the 2008-09 process year, a candidate's classification was in effect for two years from the date of the interview. In 2008-09, the Committee phased in both the implementation of this classification period and the classification of all candidates by giving those candidates who were not interviewed a one-year classification and those candidates who were interviewed a two-year classification. Commencing in 2009-10, all candidates will be classified for a two-year period;

- the policy that the Committee will not re-classify a candidate during their current classification period. Candidates may re-apply during the Committee's advertising period the fall before their classification expires;
- the policy that the Committee will only review and evaluate applications received by the closing date in an advertisement for that classification period. Applications received after the closing date will be reviewed and evaluated as part of the evaluation process for the next classification period;
- no longer requesting a candidate's date of birth on the application form. Candidates are now asked whether they are less than 65 years of age;
- the modification of the number of copies the candidate is required to file for each region to which they apply.

Review and Evaluation Process

Candidates may be selected for an interview as part of the application review and evaluation process.

Interview panels will consist of at least four (4) Committee members, at least one of whom is a regional member for the region to which the candidate is applying and another of whom is a judge or justice of the peace.

Where a region grants an interview to a candidate who has applied for more than one region, there will be a judicial member and a lay member representing each region to which the candidate has applied on the interview panel.

French Language Testing

Candidates who have been selected for an interview and who have self-identified as bilingual may be required to undergo standardized oral French language testing.

Reference Checks and Discreet Inquiries

Committee members may undertake reference checks or discreet inquiries as part of the process.

Classification Process

Upon completion of the evaluation process, candidates are classified as Not Qualified, Qualified, or Highly Qualified.

For the 2007-08 process year, the list of classified and interviewed candidates was sent to the Attorney General. Commencing in 2008-09, the list of all classified candidates was/is sent to the Attorney General. When the opportunity for an appointment of a justice of the peace arises, the Attorney General selects a candidate from the list of Qualified and Highly Qualified classifications.

In 2007-08, a candidate's classification was in effect for two years from the date of the interview. Commencing in 2008-09, a candidate's classification is in effect from the 1st day of June following the submission of the application and continues for two years ending on the 31st day of May.

As is the practice with similar committees in Canada, candidates will not be notified of their classification.

Confidentiality

The Committee maintains strict confidentiality with respect to the personal information of candidates except to the extent as is necessary for the Committee to perform its duties (e.g., discreet inquiries).

REGION(S) TO WHICH APPLICATION IS MADE

Ontario is divided into seven judicial regions. Justices of the peace are assigned to a "base court" within their region. Justices of the peace are required to travel frequently within their region and occasionally across the province, and are subject to the direction of the Regional Senior Judge or Regional Senior Justice of the Peace including the places of sittings for individual justices of the peace.

If you wish to apply to more than one region, you should be aware that your degree of knowledge of those regions, their culture and issues will be considered.

If you have decided to apply for more than one region, you must indicate it at this time. As of September 2008, if you receive an interview, the Committee will not consider any further applications from you during the two-year period from the date of your interview.

Please note that successful applicants will be responsible for any relocation costs. Request for transfer of a justice of the peace's base court will only be granted in exceptional circumstances within the first five years of appointment.

The following is a list of the seven judicial regions, followed by the list of court locations ("base courts") within each region. The base court for a successful applicant will be determined upon appointment.

NOTE: In each region, please indicate the base court locations within that region in which you are willing to be assigned.
